LION KING ON BROADWAY – S.H.A.R.E. FOUNDATION

Two Tickets to Disney's Broadway Production of The Lion King

VIP Backstage Tour

Through JJ Davis, former cast member in the Broadway production of "The Lion King" and sibling of Lyric Davis Watson (Caedmon Class of 2010), the Caedmon Community formed a close relationship with Broadway Workshop, one of our after school partners (whose members include cast members from Lion King). Members of Broadway Workshop have given Caedmon students wonderful Broadway show and backstage experiences. Sadly, Shannon Tavaréz, lead performer in The Lion King was diagnosed with Acute Myelogenous Leukemia last April. She was unable to locate a donor for a life-saving bone marrow transplant and lost her battle with the disease this past November. In her memory, Shannon's mother formed the S.H.A.R.E. foundation (Support, Hope, Aide, Recruit, Educate).

The S.H.A.R.E. Foundation is dedicated to the education and recruitment of potential bone marrow donors through various programs and services, especially in communities where the need is most prevalent. For more information, please visit: www.shannonshare.org

In an effort to show our support, and help to realize Shannon's dream of recruiting people everywhere to "get swabbed", the Caedmon Community has designated a raffle box in Shannon's memory. 100% of the proceeds from this raffle box will go directly to Shannon's S.H.A.R.E. Foundation.

Please be aware in your hearts and minds that supporting this foundation can help find a match for 3 1/2 year old, Rayan Sher, a friend of Caedmon.
