

Approved Bakeries

Please note this is a partial list and stores are always changing. Parents must check each time they purchase an item to ensure it is still nut free. We do not accept home baked items. If you purchase from a bakery, items cannot be made on shared equipment or ovens with peanuts, or tree nuts. Check with your classroom teachers or the nurse for allergens in your child's class.

[Baked Cravings](#)

Stores that have various pre-packaged ready-made items that are nut free (check the label every time):

CostCo, Trader Joe's, Whole Foods, Food for Health, Gristedes (items are near the deli and bakery), The Health Nuts, and Target.

Other ideas for birthday celebrations:

Fruits and veggies, nut and seed free cereals

Donate a book to your child's classroom, and have a read aloud. (Discuss what book with your teacher first.)

Online sources for snacks and sweets - many are sold in local stores Target, CostCo, Whole Foods, Trader Joe's, etc.
